ARTICLE 7.

The use of neoprene will be prohibited, unless the organization deems it appropriate to preserve the safety of the swimmer, due to the temperature of the water (18° or less), in the event that the temperature of the water is less than 16°, the race will be suspended. For Masters 50 or older swimmers, the use of wetsuits will be optional, regardless of the water temperature.

The swimmer must wear the bib number assigned to him visible at all times, which will be painted in black marker on the shoulder of each participant and may not be covered by any garment, labeling or cream. In the previous case, in which the swimmer can use the wetsuit, the number will also be marked on the back of the swimmer's right hand.

In the event that the race is timed by chip, it will not have to be labeled, but it will require the correct placement of the chip, with its elastic band. The loss of the Chip will be grounds for disqualification and will not appear in the final ranking.

The organization reserves the right to check and prohibit swimsuits that may raise any doubts.

Will be grounds for disqualification:

- The use of aquatic mp3 that may prevent the swimmer from hearing the safety announcements correctly during the race.
- Receive external help such as paddles, fins, floats, masks, tubes or pool material.
- The course will be duly marked with buoys or kayaks. Any swimmer who does not correctly pass through the different marking buoys may be disqualified by the judges or members of the organization.
- Provide false data in the registration (age, residence...).
- Not making the complete route, respecting the markers and always leaving them on the side indicated by the organization.
- Running with a number assigned to another runner.
- Not heeding the instructions of the judges and/or organization personnel.
- Invest more time than established by the organization in completing the entire route, as well as exceeding the maximum times established by sections, in the different distances.
- Have unsportsmanlike behavior.
- Throwing any type of garbage before, during or after the event will also be considered grounds for disqualification. We must keep the beach as clean as possible. There will be containers to deposit garbage.
- Addressing any contestant, volunteer, or judge in an indecent manner.

ARTICLE 8

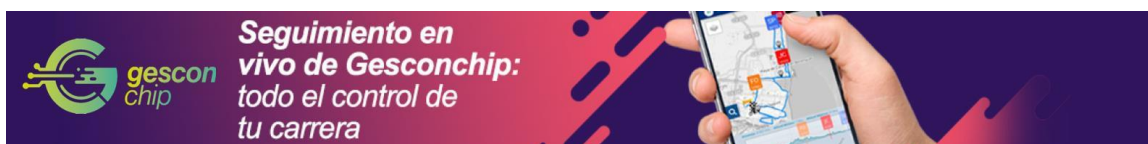

The organization may make the modifications it deems necessary to the course, and even suspend the race, if the weather or other conditions endanger the physical integrity of the swimmers.

SPECIFIC MEASURES FOR COMPETITION

It will be totally forbidden to stay in the finish line tents, to avoid crowds and therefore endanger one's own health and that of others.

Participants must be aware of and assume the risk inherent in practicing sports in terms of possible contagion, even when the organization will adopt a series of measures to prevent this from happening.

On the other hand, in this case the adoption of such measures by the organization will alter or modify the usual dynamics of the development of the competition.
